

Play Safe, Stay Safe Colour me in

Remember the following tips when you are out and about:

- Traffic can be dangerous - always hold hands with the grown up that you are with near roads
- Play safely away from traffic - such as in a park or garden
- Find the safest place to cross a road, then stop at the kerb, look and listen for traffic before crossing
- If there is a zebra, toucan or pelican crossing or a subway near always use it when crossing the road

Answers

Spot the dangers: 1. Trailing wire from kettle 2. Toaster wire in sink 3. Matches in reach of children 4. Iron switched on and left on an ironing board 5. Pan handle sticking out 6. Hot coffee cups on edge of work surface 7. Too many plugs in socket with wires all trailing 8. Scooter on floor 9. Ball on floor

See you next time - stay safe Wele-fans!

WELCOME TO THE

Welephant CLUB

Welcome Issue

Hello Wele-fans!

Welcome to your first Welephant Newsletter! You are now a member of the fantastic Welephant Club and I wanted to introduce myself and my friends. We are here to help give you useful safety advice and provide you with some fun activities. This newsletter has lots in it to keep you busy including colouring, a code breaker game and a spot the dangers activity. I hope you enjoy it!

Lots of love Welephant XXX

Meet Welephant and his friends

Welephant

- Wele is a red elephant and the Club is named after him
- He wears a yellow helmet as he is a firefighter. He rescues people and puts out fires
- His favourite food is bananas
